

# Baumgartner's

Since 1949

*"Where you are treated with  
courtesy and respect.  
That hasn't changed in  
over 6 decades."*

Baumgartner's was founded in 1949 by the late George Baumgartner and has continued to be a family-owned business every since. In 1999, Mattress World By Baumgartner's was established in Columbia as a mattress gallery showroom. In late 2009, Baumgartner's opened a La-z-boy Comfort Studio in Columbia, combining it with their Mattress World showroom. Baumgartner's pledge has been to provide customers with quality products and unparalleled service to create a shopping experience that exceeds their expectations. Our goal is for customers to have a great experience from start to finish so they'll keep coming back for all their future needs.

Four generations of the Baumgartner family have offered Mid-Missouri "out of our way" service that the big retailers cannot. We strive to bring warm, hometown hospitality to every part of our business and are committed to the customer's satisfaction. Our customer service goes above and beyond the "sales ticket." We strive to service any customer's requests better than any other store in our market. Step inside one of our locations and you'll enjoy a small-town atmosphere with a big-city selection. When the company bears your name, there is a special pride in everything you do for the customer and community.

We truly believe a satisfied customer is our best advertisement.

The employees at Baumgartner's have many years of experience in the furniture business. It is our job to help you find the furniture that best fits your needs. You'll find that our friendly sales associates go out of their way to make you feel welcome and comfortable in our store, so you'll feel right at home.

With our quality lines of furniture, bedding and flooring, Baumgartner's is a "complete home furnishings store." If you are looking for high-quality merchandise at affordable prices, shop Baumgartner's, where you will be treated with courtesy and respect. That hasn't changed in over six decades.
